

Student – Parent Handbook

Addendum

Beginning in September 2013, due to the number of food allergies, we will not celebrate birthdays in school with food. You are welcome to send in pencils, stickers, etc., to celebrate, but no food items. Daily snacks (recess breaks) will be limited to accommodate all students in that grade and there will be specifically assigned tables for all students who have food allergies and/or issues. The children at these tables may select friends to sit with them, who will abide by the policies of the allergy table. The designated tables will be the same for all lunch periods so they can be cared for in specific ways. Thank you in advance for your cooperation and understanding. If you have any questions, do not hesitate to ask your child's homeroom teacher in September.
